

Recommendation for Andrea Maffiotto

31.07.2025

To Whom It May Concern,

I am pleased to recommend Andrea Maffiotto, who joined our OT Cybersecurity team at Ferrero for a one-month summer internship during July 2025. Although still in high school at the time, Andrea consistently demonstrated exceptional maturity, curiosity, and dedication, qualities that significantly exceeded typical expectations for someone at his educational level.

During this short period, Andrea quickly grasped complex topics relevant to our work in Cybersecurity for Industrial & OT environments. He showed an impressive ability to learn fast, ask insightful questions, and apply new knowledge effectively. His contributions brought real value to our team, and it was clear that he took the internship seriously and approached every task with enthusiasm and responsibility.

Andrea is reliable, eager to learn, and a pleasure to work with. I have no doubt that with continued guidance and opportunities, he will achieve great things in the future.

Please feel free to contact me if you need any further information.

Sincerely,

Cristian Deacu
OT Cybersecurity Manager
